

Caci Facials

Microdermabrasion

£25 (40mins)

A gentle skin resurfacing procedure. Microdermabrasion works by gently removing the superficial layer of skin. It effectively treats skin blemishes, acne scarring & sun damage. This treatment works in combination with blue & red LED light therapy concentrating on areas of concern for a clearer and brighter complexion. Finished with enhanced tissue repair pads to stimulate tissue repair and healing.

Course of 10 treatments £225 (one free treatment)

Jowl Lift

£25 (30mins)

The CACI Jowl Lift has been developed to specifically target muscle laxity around the jawline which can cause drooping jowls and loose skin giving a firmer more toned appearance.

Course of 10 treatments £225 (one free treatment)

Lip Plump/Party Pout

£18 (20mins)

This great lip fix uses the award winning CACI Amino Lift Peptide Complex and red LED light therapy to instantly plump the lips. Incredible instant results! This is the needle-free alternative to botox and fillers. This is a great treatment to have prior to a special occasion or night out with friends; a course of treatments is recommended for a longer lasting Lip Plump.

course of 10 treatments £162 (one treatment free)

Can be included as an add on to any CACI treatment for an additional £12.

Hydratone

£25 (30mins)

This treatment combines active micro-current Hydratone rollers which help restore muscle tone and firmness with a unique electrically conductive hydro smoothing gel mask infused with powerful hydrating properties. The Hydro Mask is infused with collagen, hyaluronic acid and rose water to deeply nourish and hydrate the skin. Hydratone rollers are used to gently massage the face, the mask becomes electrically charged so the whole face is bathed in rejuvenating energy. Lymphatic drainage is improved. A perfect treatment for dehydrated, mature and sun-damaged skin

course of 10 treatments £225 (one treatment free)

Ultimate Eye Revive

£25 (30mins)

This treatment uses Microcurrent to gently tighten and tone sagging muscles together with a deeply nourishing CACI Eye Mask to lift hooded eyelids, reduce puffiness and dark circles and soften the appearance of fine lines and wrinkles around the eyes.

course of 10 treatments £225 (one treatment free)

Microdermabrasion

£30 (40mins)

This treatment uses a combination of red and blue LED light therapy renowned for their anti-bacterial, anti-inflammatory and wound healing properties. Blue LED light is used to destroy and inhibit the growth of bad bacteria causing painful outbreaks. Red LED light is used to heal, enhance the skins natural repair and speed up cell recovery. A Hydro Mask compliments the treatment to soothe and calm the skin reducing any redness and irritation. Finished with enhanced tissue repair pads to stimulate tissue repair and healing LED light therapy is clinically proven to treat acne concerns. This treatment is also effective for eczema, scars and burns.
